**STATE OF ILLINOIS**  
**The Religious Freedom Protection and Civil Union Act**  
**Effective June 1, 2011**

The Religious Freedom Protection and Civil Union Act ("the Act") creates a legal relationship between two persons of the same or opposite sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. The law further provides that a party to a civil union shall be included in any definition or use of the terms "spouse," "family," "immediate family," "dependent," "next of kin," and other terms descriptive of spousal relationships as those terms are used throughout Illinois law. This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to 750 ILCS 75/1 *et seq.* Examples of the interaction between the Act and existing law can be found in the Illinois Insurance Facts, Civil Unions and Insurance Benefits document available on the Illinois Department of Insurance's website at [www.insurance.illinois.gov](http://www.insurance.illinois.gov).

**Utah:**

1. If the **Sending Proof of Loss** provision provides a timeframe in which proof must be submitted before it affects Your claim, this time limitation shall not apply to You.

**Vermont:**

1. The following requirement applies:

**Purpose:** Vermont law requires that health insurers offer coverage to parties to a civil union that is equivalent to coverage provided to married persons.

**Definitions, Terms, Conditions and Provisions:** The definitions, terms, conditions or any other provisions of the policy, contract, certificate and/or riders and endorsements are hereby superseded as follows:

- 1) Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage", "spouse", "husband", "wife", "dependent", "next of kin", "relative", "beneficiary", "survivor", "immediate family" and any other such terms, include the relationship created by a civil union established according to Vermont law.
- 2) Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage", "divorce decree", "termination of marriage" and any other such terms include the inception or dissolution of a civil union established according to Vermont law.
- 3) Terms that mean or refer to family relationships arising from a marriage, such as "family", "immediate family", "dependent", "children", "next of kin", "relative", "beneficiary", "survivor" and any other such terms include family relationships created by a civil union established according to Vermont law.
- 4) "Dependent" means a spouse, a party to a civil union established according to Vermont law, and a child or children (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.
- 5) "Child or covered child" means a child (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

**CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE**

Vermont law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, federal law, the Employee Income Retirement Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under COBRA for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under the policy,

contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under this contract.

**Eligibility for Coverage:** *When will I become eligible?*

You will become eligible for coverage on The Policy Effective Date.

**Enrollment:** *How do I enroll for coverage?*

You must complete and sign a group insurance enrollment form which is satisfactory to Us and deliver it to Your Department.

## PERIOD OF COVERAGE

**Effective Date:** *When does my coverage start?*

Your coverage will start on the earliest of:

- 1) the date You become eligible, if You enroll or have enrolled by then; or
- 2) the date on which You enroll, if You enroll after the date You become eligible.

**Deferred Effective Date:** *When will my effective date for coverage or a change in my coverage be deferred?*

If You are absent from work due to Cancer on the date Your insurance would otherwise have become effective, Your coverage will not become effective until You meet the definition of an Active Firefighter for at least one full day.

**Termination:** *When will my coverage end?*

Your coverage will end on the earliest of the following:

- 1) the date The Policy terminates;
- 2) the date premium payment is due but not paid;
- 3) the last day of the period for which You make any required premium contribution;
- 4) the date Your Department ceases participation in The Policy;
- 5) the date You request Your coverage to terminate; or
- 6) the date You cease to be an Active Firefighter with Your Department for any other reason, unless continued in accordance with any of the Continuation Provisions.

**Continuation Provisions:** *Can my coverage be continued beyond the date it would otherwise terminate?*

Coverage can be continued by Your Department beyond a date shown in the Termination provision, if Your Department provides a plan of continuation which applies to all Eligible Firefighters the same way. Continued coverage:

- 1) is subject to any reductions in The Policy;
- 2) is subject to payment of premium by the Department; and
- 3) terminates if:
  - a) The Policy terminates; or
  - b) coverage for Your class terminates.

In any event, Your benefit level, or the amount of earnings upon which Your benefits may be based, will be that in effect on the day before Your coverage was continued. Coverage may be continued in accordance with the above restrictions and as described below:

**Military Leave of Absence:** If You enter active military service and are granted a military leave of absence in writing, Your coverage may be continued for up to one year. If the leave ends prior to the agreed upon date, this continuation will cease immediately.

**Family and Medical Leave:** If You are granted a leave of absence, in writing, according to the Family and Medical Leave Act of 1993, or other applicable state or local law, Your coverage may be continued for up to one year, or longer if required by other applicable law, following the date Your leave commenced. If the leave terminates prior to the agreed upon date, this continuation will cease immediately.

**Extended Continuation:** *Can I continue coverage under The Policy if it coverage terminates?*

You may be able to continue coverage under this provision if You no longer meet the definition of an Active Firefighter, provided You have been covered under The Policy for at least one year.

*How do I request Extended Continuation of coverage?*

To elect Extended Continuation, You must complete and send a request to Us.

The request and the initial premium due must be received within 91 days after insurance under The Policy would otherwise end. In no event will a request be accepted by Us if received more than 91 days after the date coverage under The Policy would otherwise end.

Coverage continued under this provision:

- 1) will become effective on the first day of the month following the date coverage under The Policy would otherwise end, so that there is no interruption in coverage; and
- 2) is subject to continued payment of premium as due, including any portion of the premium that was previously paid for by the Your Department.

Coverage continued under this provision will end on the earlier of:

- 1) 24 months; or
- 2) last day of the month during which You again meet the definition of an Active Firefighter and become eligible for coverage under The Policy as a result.

Coverage continued under this provision will also end in accordance with the Termination provision. Except as described in this provision, coverage continued under this provision is subject to all other terms and provisions of The Policy.

**Coverage while Disabled:** *Does my insurance continue while I am Disabled and no longer an Active Firefighter?*

If You are Disabled and You cease to be an Active Firefighter, Your insurance will be continued:

- 1) during the Elimination Period while You remain Disabled by the same Disability; and
- 2) after the Elimination Period for as long as You are entitled to benefits under The Policy.

**Waiver of Premium:** *Am I required to pay premiums while I am Disabled?*

No premium will be due for You:

- 1) after the Elimination Period; and
- 2) for as long as benefits are payable.

**Extension of Benefits for Disability:** *Do benefits continue if The Policy terminates or the Department stops participating in The Policy?*

If You are entitled to benefits while Disabled and The Policy terminates or the Department stops participating in The Policy, benefits:

- 1) will continue as long as You remain Disabled by the same Disability; but
- 2) will not be provided beyond the date We would have ceased to pay benefits had the insurance remained in force.

Termination of The Policy or the Department's cessation of participating in The Policy for any reason will have no effect on Our liability under this provision.

**Conversion Right:** *If my coverage under The Policy stops, do I have a right to conversion?*

If Your insurance terminates because:

- 1) Your service as a Firefighter for the Department ends;
- 2) You are no longer in an eligible Class; or
- 3) Your coverage under the Extended Continuation provision ends;

and if:

- 1) a Disability is not preventing You from meeting the definition of an Active Firefighter;
- 2) the insurance for Your Class or The Policy has not terminated;
- 3) You are not eligible for coverage under The Policy under another Class; and
- 4) You are not eligible or covered for similar benefits under another group policy;

then You are eligible to enroll for personal insurance under another group policy called the group long term disability conversion policy.

#### *How do I convert my coverage?*

To obtain coverage under the group long term disability conversion policy, You must:

- 1) send Us a written enrollment request; and
- 2) pay the required premium and enrollment fee for the conversion policy;

within 30 days of the termination of Your insurance.

If You meet the preceding conditions, We will issue You a certificate of insurance under the group long term disability conversion policy. Such coverage will:

- 1) be issued without Evidence of Insurability;
- 2) be on one of the forms then being issued by Us for conversion purposes; and
- 3) be effective on the day following the date Your insurance under The Policy terminates.

The coverage available under the conversion policy may differ from The Policy. We will determine the terms of the group long term disability conversion policy, including:

- 1) the type and amount of coverage provided; and
- 2) the premium payable;

based on the kinds of insurance provided by the group long term disability conversion policy at the time such enrollment request is made.

- 1) become Disabled while insured under The Policy;
- 2) are Disabled throughout the Elimination Period;
- 3) remain Disabled beyond the Elimination Period; and
- 4) submit Proof of Loss to Us.

Benefits accrue as of the first day after the Elimination Period and are paid monthly. However, benefits will not exceed the Lifetime Maximum Duration of Benefits.

#### **Recurrent Disability:** *What happens if I Recover but become Disabled again?*

Periods of Recovery during the Elimination Period for Your Department will not interrupt the Elimination Period, if the number of days You return to work as an Active Firefighter for Your Department are less than one-half (1/2) the number of days of Your Elimination Period.

Any day within such period of Recovery, will not count toward the Elimination Period.

After the Elimination Period, if You return to work as an Active Firefighter for Your Department and then become Disabled and such Disability is:

- 1) due to the same cause; or
- 2) due to a related cause; and
- 3) within 6 months of the return to work;

the Period of Disability prior to Your return to work and the recurrent Disability will be considered one Period of Disability, provided The Policy remains in force.

If You return to work as an Active Firefighter for Your Department 6 months or more, any recurrence of a Disability will be treated as a new Disability. The new Disability is subject to a new Elimination Period.

**Period of Disability** means a continuous length of time during which You are Disabled under The Policy.

**Recover or Recovery** means that You are no longer Disabled and have returned to work with the Department and premiums are being paid for You.

**Calculation of Monthly Benefit:** *How are my Disability benefits calculated?*

If You remain Disabled after the Elimination Period, We will determine Your Monthly Benefit by deducting Other Income Benefits from the Maximum Monthly Benefit.

If an overpayment occurs, We may recover all or any portion of the overpayment, in accordance with the Overpayment Recovery provision.

**Partial Month Payment:** *How is the benefit calculated for a period of less than a month?*

If a Monthly Benefit is payable for a period of less than a month, We will pay 1/30 of the Monthly Benefit for each day You were Disabled.

Benefit payments will stop on the earliest of:

**Misstatements:** *What happens if facts are misstated?*

If material facts about You were not stated accurately:

- 1) Your premium may be adjusted; and
- 2) the true facts will be used to determine if, and for what amount, coverage should have been in force.

No statement, except fraudulent misstatements, made by You relating to Your insurability will be used to contest the insurance for which the statement was made after the insurance has been in force for two years during Your lifetime. In order to be used, the statement must be in writing and signed by You.

All statements made by The Policyholder, the Department or You under The Policy will be deemed representations and not warranties.
